

Application No. 10/650,918
Amendment Dated November 17, 2006
Reply to Office Action of June 19, 2006

Docket No.: 0425-1076P

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph beginning on page 3, line 7, as follows:

The term "polyhydric alcohol group" means a residue derived from a polyhydric alcohol by removing hydrogen atoms from ~~alcoholic~~ alcoholic hydroxy groups thereof.
